

# Admiral Lectern System

## Portable Lectern System Specifications

MADE IN USA

SIX YEAR WARRANTY

### Advancing Technology

The Admiral lectern is an impressive companion for Liberty Platinum or Explorer PRO portable sound systems. The sound system fits securely into the rich oak cabinet space. Simply plug the mic connection cable into the back of the sound system, and you have turned a portable sound system into a formal, powered lectern with a 24" gooseneck electret mic.
