

AN-30

Powered Speaker

The AN-30 speaker is the smallest system in the Anchor Audio line of products and offers a lot of sound in such a small cube. With 30 watts of rated power output, the AN-30 can cover a typical sized conference room or classroom with ease. The AN-30 is so lightweight at under two pounds that it mounts to a wall or ceiling quite effortlessly. Combine an AN-30 with a projector in a classroom for the perfect audio visual solution.
