

LOUD. CLEAR. TRUSTED. EVERYWHERE ON CAMPUS.

Anchor Audio delivers powerful, portable sound solutions that ensure every voice is heard—whether you're leading a morning assembly, conducting a fire drill, or energizing a crowd. From small classrooms to expansive campuses, our rugged, battery-powered and American made systems are built to support education and everyday campus life.

REAL SOLUTIONS. REAL IMPACT.

These aren't just products, they're solutions that educators and students can rely on anytime, anywhere, from the classroom to the football field and beyond. Some recent sales examples:

- **44 Bigfoots to Bakersfield School District** for a single portable sound solution in every school.
- **24 Liberty 3 Systems to Escondido USD** for a Swiss Army™ speaker solution in every school.
- **525 Specialty Speakers to the University of Northern Iowa** for remote learning solutions.
- **3 Bigfoots to University of Georgia** for practice field music and on field coaching direction.

SMART SOLUTIONS FOR EVERY SCHOOL.

- **Drop-off and Pick-up:** Direct traffic, guide students, and be heard.
- **Emergency Drills and Alerts:** Deliver clear instructions in any situation.
- **Sports and Athletics:** Announce games, pump up crowds, and lead practices.
- **Assemblies, Ceremonies, and Events:** Elevate performances and presentations.
- **Marching Band and Performing Arts:** Rehearse outdoors without limits.
- **Field Trips and Learning:** Teach students in the classroom and outside.
- **Amplify Your Voice:** Reach huge crowds with ease.

TRUSTED BY THE BIGGEST AND THE BEST.
