

RELIABLE GEAR FOR CRITICAL SITUATIONS.

When every second counts, your voice needs to be heard. Anchor Audio delivers powerful and durable battery-powered sound systems—proudly made in America—trusted by first responders and mission critical organizations across the nation to take control, direct operations, and keep the public informed. When the stakes are high, the most trusted choose Anchor Audio to deliver their message.

REAL SOLUTIONS. REAL IMPACT.

These aren't just products—they're reliable solutions that military, police, fire, and government agencies can count on anytime, anywhere, from emergency scenes to training grounds and beyond. Some recent sales examples:

- **121 Go Getters** to US Army Recruiting Command to support nationwide Army recruitment.
- **786 AN-1000x speaker monitors** to General Dynamics for a powered speaker solution.
- **10 Liberty 2 and 3 Beacon Systems** to Beale US Air Force Base to support base operations.
- **14 Liberty 2** to Fort Jackson US Army base to support training activities and base operations.

BUILT FOR DUTY. READY FOR ANYTHING.

- **Incident Command:** Establish authority and coordinate teams instantly.
- **Search and Rescue:** Project voice across open terrain or disaster zones.
- **Evacuations and Crowd Control:** Keep people calm and informed.
- **Drills and Training:** Simulate real-world conditions with professional gear.
- **Public Safety Announcements:** Reach large groups clearly in any location.
- **Parades and Community Events:** Lead and protect with confidence.
- **Ceremonies and Events:** Celebrate proudly with American Made Gear.

TRUSTED BY MISSION CRITICAL AGENCIES EVERYWHERE.
