

CLEAR COMMUNICATION: A BUYER'S GUIDE TO PA SYSTEMS FOR HOUSES OF WORSHIP

INSPIRE, ENGAGE, AND BE HEARD CLEARLY

1. Identify Your Use Case

Different worship settings call for different sound solutions.

Start by defining your primary use:

- Indoor Worship – Sermons, readings, choirs, or praise bands.
- Outdoor Services – Parking lot worship, festivals, or tent gatherings.
- Youth & Fellowship Events – Retreats, classes, and small group sessions.
- Community Outreach – Public events, fundraisers, and special services.

3. Select Key Features

- ✓ **Wireless Microphone Options** – Freedom for pastors, worship leaders, and musicians.
- ✓ **Quick Setup** – Ready in under a minute.
- ✓ **Battery Power** – Runs all day, anywhere power isn't available.
- ✓ **Portable & Rugged Design** – Easy to transport and built to last.
- ✓ **Made in the USA** – Reliable support and industry-leading 6-year warranty.

4. Match Common Scenarios

- **Small Groups or Classrooms** – Mini® or AN-30 for study groups, children's ministry, and prayer meetings.
- **Medium Worship Spaces** – Go Getter® or Liberty® for sanctuaries, chapels, and youth gatherings.
- **Large Services & Outdoor Events** – Beacon® or Bigfoot® for festivals, outdoor worship, and large congregations.
- **Community Events & Outreach** – MegaVox® or Liberty® for public gatherings, fairs, and celebrations.

5. Purchase Your System

- ✓ **Request a Quote**
- ✓ **Find a Dealer Near You**

Call **800.262.4671** or your local authorized Anchor Audio dealer for more information.

Pro Tips for Houses of Worship:

- **Plan for Growth** – Choose a system sized for future congregation needs.
- **Stay Charged** – Keep units charged up for instant setup.
- **Go Wireless** – Add mics for pastors, singers, and musicians.
- **Mix & Match** – Use smaller systems for classrooms alongside larger ones for worship.
- **Test Weekly** – Run sound checks before services and events.
