

CLEAR COMMUNICATION: A BUYER'S GUIDE TO PA SYSTEMS FOR LIVE EVENTS

POWERFUL SOUND FOR EVERY PERFORMANCE,
CEREMONY, OR CELEBRATION

1. Identify Your Use Case

Every live event is different — choose the right sound for your setting.

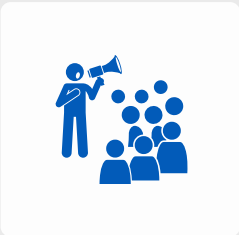

Start by defining your primary use:

- Concerts & Performances – Musicians, bands, and entertainers.
- Festivals & Outdoor Gatherings – Parades, fairs, and community celebrations.
- Corporate & Special Events – Conferences, ceremonies, and fundraisers.
- Rallies & Public Speaking – Clear speech for large audiences and open spaces.

3. Select Key Features

- ✓ **Powerful Sound Projection** – Crisp voice and rich music reproduction.
- ✓ **Battery Powered Operation** – All-day performance anywhere.
- ✓ **Wireless Microphones** – Flexibility for presenters and performers.
- ✓ **Rugged, Weather-Resistant Design** – Built for unpredictable environments.
- ✓ **Quick Setup & Portability** – Be show-ready in under a minute.

4. Match Common Scenarios

- **Small Gatherings or Corporate Events** – AN-30 or Go Getter® for meetings, panels, or small stages.
- **Mid-Sized Venues & Festivals** – Beacon® or Liberty® for outdoor ceremonies, community fairs, or performances.
- **Large Events & Concerts** – Bigfoot® or Beacon® for large audiences, rallies, and music festivals.
- **Mobile Announcements or Rallies** – MegaVox® for parades, public speaking, or crowd control.

5. Purchase Your System

- ✓ **Request a Quote**
- ✓ **Find a Dealer Near You**

Call **800.262.4671** or your local authorized Anchor Audio dealer for more information.

FIND THE RIGHT SOUND SYSTEM FOR YOUR NEXT EVENT

 Bigfoot®	Large-scale events or concerts Outdoor festivals and rallies Major productions or ceremonies	• Anchor's most powerful PA • Reaches crowds of 5,000+ people • Rugged, weather-resistant construction

Pro Tips for Sports & Athletics:

- **Know Your Space** – Choose a system rated for your largest expected crowd.
- **Stay Mobile** – Use wireless mics for freedom on stage or in the audience.
- **Set and Test Early** – Sound check before doors open for consistent clarity.
- **Mix Systems** – Combine compact speakers for side areas with larger units for the main stage.
- **Be Weather Ready** – For outdoor events, pick rugged, weather-resistant models.
