

PUBLIC SAFETY & GOVERNMENT

COMMUNICATION SOLUTIONS GUIDE

Reliable audio solutions for every situation.
From city hall to the front lines, Anchor Audio systems
help keep your community informed, safe, and connected.

1. CITY HALL / COUNCIL CHAMBERS

Councilman, Bigfoot 3 Pro
or Beacon 3 Pro

Clear, dependable audio for
council meetings, public
hearings, and presentations.

2. RALLIES, EVENTS & CROWD CONTROL

Bigfoot 3 Pro, Liberty 3 Pro
or Beacon 3 Pro

Powerful, portable sound to
address large crowds, manage
lines, and ensure important
messages are heard.

3. EMERGENCY EVACUATION

MegaVox

Project critical instructions
quickly and clearly during
emergencies and evacuations.

4. POLICE & LAW ENFORCEMENT

MegaVox

Ideal for outdoor briefings,
perimeter communication,
traffic control, and community
outreach.

5. TRANSIT & PUBLIC TRANSPORTATION

MegaVox

Use at bus terminals, train stations,
and transit hubs for scheduling,
delays, and safety alerts.

6. CITY POOLS & AQUATICS

MegaVox

Perfect for swim lessons,
safety instructions,
announcements at pools,
water parks, and
aquatic centers.

7. HOSPITALS & MEDICAL FACILITIES

Go Getter, Liberty 3 Pro or Bigfoot 3 Pro

Ambulance Drop-Off

Go Getter

Compact and easy to use
for quick communication
in high-traffic areas.

First Aid / Triage Areas

Liberty 3 Pro or Bigfoot 3 Pro

Clear, powerful audio for
triage, emergency updates,
and patient communication.

8. SEARCH & RESCUE

Mini & MegaVox

Lightweight and portable
solutions for search teams,
command posts, and
field operations.

SYSTEM GUIDE

BIGFOOT 3 PRO

Our most powerful system.
Ideal for large outdoor
gatherings, events, and
high-noise environments.

LIBERTY 3 PRO

Powerful and versatile.
Great for mid-sized events,
assemblies, and day-to-day
public communications.

BEACON 3 PRO

Compact power with
advanced features.
Perfect for mobile
announcements and
focused coverage.

MEGAVOX

Built for the outdoors.
Projects over distance
and cuts through noise.
Ideal for emergencies,
safety, and large open areas.

COUNCILMAN

Sleek and professional.
Designed for indoor
meetings, presentations,
and formal settings.

GO GETTER

Compact and easy to use.
Perfect for small groups,
quick announcements,
and high-traffic areas.

MINI

Ultra-compact and
lightweight. Great for
portable communication
in the field.
