

CLEAR COMMUNICATION: A BUYER'S GUIDE TO PA SYSTEMS FOR SPORTS & ATHLETICS

INSPIRE, ENGAGE, AND BE HEARD CLEARLY

1. Identify Your Use Case

Different athletic environments require different sound solutions.

Start by defining your primary use:

- Outdoor Fields & Stadiums – Announcements, play-by-play, and event coordination.
- Gyms & Indoor Arenas – Games, assemblies, and tournaments.
- Team Practices & Training – Drills, instructions, or fitness classes.
- Community Events – Races, pep rallies, award ceremonies, and tournaments.

3. Select Key Features

- ✓ **Powerful Sound Projection** – Reach fans, teams, and large crowds clearly.
- ✓ **Battery Powered Operation** – Run all day without access to outlets.
- ✓ **Wireless Microphones** – Freedom to move across the field or gym.
- ✓ **Rugged, Weather-Resistant Design** – Built for outdoor and athletic environments.
- ✓ **Quick Setup & Portability** – Ready to go in under a minute.

4. Match Common Scenarios

- **Team Practices & Training** – AN-30 or Go Getter® for drills, instructions, and coaching.
- **Gymnasiums & Indoor Games** – Go Getter® or Liberty® for announcements, games, or assemblies.
- **Outdoor Fields & Stadiums** – MegaVox® or Beacon® for clear coverage during games or meets.
- **Large Athletic Events** – Bigfoot® or Beacon® for tournaments, track meets, or community sports days.
